

NIT No. F.1(66)/WP/Proc./2022/624

Date: 11/03/2022

SHORT NOTICE INVITING TENDER

Sealed tenders are invited by the undersigned from bonafide & resourceful bidder/authorized dealers/firm for **"Supply of Inverter and Inverter battery"** for Women's Polytechnic, Hapania, Agartala, Tripura (W).

The details of the items are as follows:

SL. No.	Name of Item with Specifications.	Quantity (in unit)
01	Inverter	4
02	Inverter Battery	4

The rate quoted must be included with GST.

NB: The quantity may increase or decrease as per the discretion of the undersigned.

The last date of submission of tender in the tender submission box in the chamber of Principal, Women's Polytechnic, Hapania along with all necessary documents is 14.03.2022, by 12.30 PM. Specification details of each item mentioned above are attached along with the SNIT as Annexure-1. The tenders will be opened on the same day at 12.30 PM if possible in presence of intending bidders. The undersigned reserve the right to reject any tender without assigning any reason.

(Dr. Tirtharaj Sen, FIE)
Principal
Women's Polytechnic,
Hapania, Tripura (W).

Annexure-1

Sr. No.	Name of the item & Specification	Remarks
1	<p>Inverter</p> <ul style="list-style-type: none">• Pure Sine Wave Inverter• Capacity : 1100VA /12V• Rated Power : 924 W• Supports 1 unit of 12V lead acid battery. To be purchased separately.• Advanced LCD display shows Inverter battery performance statistics• User selectable output voltage (200V-240V) and charging current (8A-18A) for optimized performance• Low voltage battery charging begins from 95V and fast charging from 135V input supply• Mains By pass switch for supplying output directly from grid in case of a fault in Inverter• Supports all Battery types (Flat, Tubular and SMF) and all battery capacities (80Ah-220Ah)	
2	<p>Inverter Battery</p> <ul style="list-style-type: none">• 150 Ah capacity, 12V• Warranty 36 Months• Tubular Plates Technology• Next generation tall tubular battery with better charge acceptance and long Back up• 30% more acid volume per ampere hour than ordinary tubular batteries• It has high purity, corrosion-resistant proprietary spine alloy composition for long battery life• Extra-strong, flexible oxidation-resistant gauntlet for better performance and long life• Puncture-resistant polyethylene separator which minimize the possibility of internal short circuits• High durability with sealed plastic housing• Best Solution for areas with long and frequent power cuts• Easy maintenance with level indicators
